

NO WATER NO LIFE  
Watershed Stewardship

---

*Educate Stakeholders:*  
**our water supply is finite**

**Provide clean WATER for ALL**

**Reduce WATER consumption**  
*live within our resources*

Respect our **WATER** sources,  
forests and the balance of nature

**RECYCLE for**  
**sustainability**

**MAINTAIN WATERSHED INTEGRITY**  
Stop fragmentation

**Honor stakeholders and habitats**  
**UPSTREAM AND DOWNSTREAM**
